WORK EXPERIENCE

Software Developer, Intern   Aug-Nov 2023
Amatics Technologies Limited, Arusha

Amatics Technologies Company Limited is a software development company located in Arusha. I worked as an intern in that company in the aspect of software development and web development using node JS and python. It was great of experience working at that company.

Networking, Intern   Aug-Nov 2022
Tanzania Telecommunications Company Limited (TTCL), Arusha

TTCL is a government owned Institution that deals with the provision of communication services to it's customers. I worked as an intern in that Institution that enabled me to gain basic skills in networking, copper cable and fiber cable installations. After the completion of my intern I had a certificate from the organization.

Colleague   2020-2024
Dar-es-salaam Institute of Technology

Dar-es-salaam Institute of Technology is an Educational Institution that deals with providing Engineering subjects. I performed different projects during my time at the institute including my final year project. Also, I learned most of my skills during this period of being a colleague at DIT.
